PETITION UNDER 37 C.F.R. § 1.47

OFFICE OF PETITIONS

Sir:

This paper accompanies a Response to a February 5, 2002 Notice to File Missing Parts of Nonprovisional Application ("the Response") in connection with the above-referenced application, and is accompanied by a payment of the fee due under 37 C.F.R. §§ 1.47 and 1.17(h). If any other fees are determined to be due in connection with this submission, the Commissioner, Assistant Commissioner, and/or the Director of the U.S. Patent & Trademark Office are authorized to charge Winstead Sechrest & Minick Deposit Account No. 23-2426, referencing attorney docket number 23555-P011US.

As noted in the Response, Inventor Declarations from two of the four inventors named in the subject application could not be obtained, after diligent effort to that end.

The facts are as follows:

- This application ("the '656 application") is a continuation-in-part of prior U.S. patent application S.N. 09/502,899 filed on February 11, 2000 ("the '899 application"). The

04/05/2002 SSANDARA 00000015 10036656

'899 application named three inventors: Robert Stout, Jonathan Guthrie, and Chris Duhon. The '656 application names the same three inventors as the '899 application, and names one additional inventor, Christopher P. Zura.

- The '899 application was assigned to Additech, Inc. ("Assignee"), which was the inventors' employer at the time of filing of the '899 application. The Assignment was recorded at Reel 010604, Frame 0510 on February 11, 2000. The Notice of Recordation of Assignment of the '899 application is attached hereto as Attachment A.
- Inventor Christopher P. Zura has executed an Assignment of the '656 application to Assignee ("the Zura Assignment"); the Zura Assignment is submitted for recordation concurrently with this Petition and the accompanying Response to Notice to File Missing Parts of Nonprovisional Application.
- In the intervening period between the filing of the '899 application and the filing of the present application, two of the inventors named in the '899 application, Robert Stout and Chris Duhon, left the employ of Assignee.
- On March 13, 2002, the undersigned attorney for Assignee forwarded by overnight delivery (Federal Express) a Declaration to be signed by Robert Stout ("the Stout Declaration"). Copies of the unsigned Stout Declaration and accompanying cover letter are attached hereto as Attachment B.
- On March 19, 2002, Mr. Stout telephoned the undersigned to advise that he (Mr. Stout) had "no intention whatsoever" of signing the Stout Declaration, that he "just won't sign it." Mr. Stout indicated that his departure from the employ of Assignee did not occur on good terms, and that "words could not express [his] level of contempt" for Assignee's president and others employed by Assignee. Thus, it is believed that Mr. Stout constitutes an inventor who "refuses to sign" for the purposes of 37 C.F.R. § 1.47
- Also on March 13, 2002, the undersigned attorney for Assignee forwarded by overnight delivery (Federal Express) a Declaration to be signed by Chris Duhon ("the

Duhon Declaration”). The Duhon Declaration was addressed to the last address of Chris Duhon known to the Assignee: 1555 W. Sam Houston Parkway North, Houston, Texas 77043. Copies of the unsigned Duhon Declaration and accompanying cover letter are attached hereto as Attachment C.

- The undersigned elected delivery of the Duhon Declaration by Federal Express specifically because of the ability to track the shipping activity of Federal Express deliveries; this ability was deemed desirable due to uncertainty as to the validity of Mr. Duhon’s address.
- A Federal Express shipping tracking report shows that the package containing the Duhon Declaration was delivered to the address noted above, and was signed for by one “K. Benel,” at 8:45AM on March 14, 2002. A copy of this shipping tracking report is attached hereto as Attachment D.
- As of the date of this Petition, neither the undersigned nor Assignee has received a response of any kind from Mr. Duhon. Assignee advises the undersigned that Mr. Duhon’s departure from the employ of Assignee, like Mr. Stout’s departure, did not occur on the best of terms. Subsequent to Mr. Duhon’s departure, Assignee has heard third-party reports that Mr. Duhon had relocated to an employer in Europe, although the truth of such reports cannot be verified. In any event, since Mr. Duhon’s departure, no one associated with Assignee has had any contact with Mr. Duhon. Neither the Assignee nor the undersigned have any other information which could be used to contact Mr. Duhon. In view of Mr. Duhon’s failure to respond to the March 13 delivery, it is believed that Mr. Duhon constitutes an inventor who “cannot be reached” pursuant to 37 C.F.R. § 1.47.

* * * * *

In view of the foregoing facts, and pursuant to 37 C.F.R. § 1.47, acceptance of the signed Declarations of Inventors Christopher Zura and Jonathan Guthrie is hereby requested, such that the application can be prosecuted by Assignee "on behalf of and as agent for all inventors" as provided by 37 C.F.R. § 1.47.

**RESPONSE TO FEBRUARY 5, 2002 NOTICE TO FILE MISSING PARTS OF
NONPROVISIONAL APPLICATION**

Sir:

This paper is submitted in Response to a February 5, 2002 Notice to File Missing Parts of the above-referenced nonprovisional application ("the Notice") and is accompanied by a Petition Under 37 C.F.R. § 1.47 and associated payment of the fee due under 37 C.F.R. §§ 1.47 and 1.17(i), as well as the payment of the late other or declaration surcharge due under 37 C.F.R. §§ 1.16(l). Also accompanying this Response are Assignments of the Invention executed on behalf of the inventors, along with the requisite Assignment Cover Sheet and associated fee payment for Recordation of the Assignment. If any other fees are determined to be due in connection with this submission, the Commissioner, Assistant Commissioner, and/or the Director of the U.S. Patent & Trademark Office are authorized to charge Winstead Sechrest & Minick Deposit Account No. 23-2426, referencing attorney docket number 23555-P011US.

REMARKS

The Notice requires a properly signed oath or declaration in compliance with 37 C.F.R. § 1.63. As detailed fully in the accompanying Petition Under 37 C.F.R. § 1.47, the Assignee is unable to comply with such requirement, due to the refusal of one inventor to sign a Declaration and the inability, despite diligent effort to reach a second inventor. Grant of the Petition Under 37 C.F.R. § 1.47 is respectfully requested, such that the application can be prosecuted by Assignee on behalf of and as agent for the inventors.

The Notice also requires substitute drawings in compliance with 37 C.F.R. § 1.84. Formal drawings for this application are being submitted concurrently herewith under separate cover addressed to the Official Draftsperson of the U.S. Patent & Trademark Office. An extra copy of the formal drawings is attached hereto for reference.

CONCLUSION

In view of the foregoing, it is believed that the application is now in proper form and condition for allowance. Examination of application and allowance of the claims is respectfully requested, such that the application can advance to issue at the earliest possible date.

Respectfully submitted,

Date: 1 - APR - 2002
